CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given that the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

In accordance with the nomination policy of the Company and the objective criteria (including without limitation, gender, age, ethnicity, cultural and educational background, professional experiences and knowledge) with due regard for the benefits of diversity, as set out under the board diversity policy of the Company, the Nomination Committee of the Company has reviewed the re-election of the Directors through:

LETTER FROM THE BOARD

7. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I — Explanatory Statement on the Repurchase Mandate; and Appendix II — Details of Directors Proposed to be Re-elected at the 2020 AGM.

Yours faithfully,
By Order of the Board
Grand Brilliance Group Holdings Limited
Wong Bik Kwan Bikie
Chairman and Chief Executive Officer

The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2020 AGM in relation to the granting of the Repurchase Mandate.

1. REASON FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 5 of the notice of the 2020 AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued ordinary shares of the Company remain unchanged as at the date of the 2020 AGM, i.e. being 800,000,000 Shares, the Directors would be authorised to exercise the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a maximum of 80,000,000 Shares, being 10% of the issued share of the Company as at the date of the 2020 AGM. The Repurchase Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period which the next annual general meeting of the Company is required by the Articles or the applicable laws of the Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

3. FUNDING AND IMPACT OF REPURCHASES

Any repurchase will be funded from the Company's internal resources, which shall be funds legally available for such purpose in accordance with the memorandum of association of the Company and the Articles, the GEM Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

Under the laws of the Cayman Islands, any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose or, if authorised by the Articles and subject to the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if authorised by the Articles and subject to the Companies Law, out of capital. In accordance with the laws of the Cayman Islands, the Shares so repurchased would be treated as cancelled.

As compared with the financial position of the Company as at 31 March 2020 (being the date to which the latest audited consolidated accounts of the Company have been made up), the Directors consider that there might be a material adverse impact on the working capital and on the gearing position of the Company in the event that the Repurchase Mandate was to be carried out in full during the proposed repurchase period.

The Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

4. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, the Controlling Shareholders, namely, Ms. Wong Bik Kwan Bikie and B&A Success Limited, control 70.68% and 69.68% interest respectively in the issued share capital of the Company as at the Latest Practicable Date.

In the event that the Repurchase Mandate was exercised in full, the interest of the Controlling Shareholders, in proportion, would be increased from 70.68% and 69.68% respectively to approximately 78.53% and 77.42% respectively. On the basis of the aforesaid increase in proportion of shareholding held by the Controlling Shareholders, the Directors are not aware of any consequences of such repurchases of the Shares that would result in a Shareholder, or a group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate was exercised in full. Moreover, the Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or a group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the Shares in public hands.

5. GEM LISTING RULES RELATING TO REPURCHASE OF SHARES

The GEM Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the Company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions.

The GEM Listing Rules provide that all proposed repurchases of shares must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general repurchase mandate or by a specific approval of a particular transaction, and that the shares to be repurchased must be fully paid up.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles of Association, the applicable laws of the Cayman Islands.

7. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best knowledge and belief of the Directors having made all reasonable enquiries, any of their respective associates (as defined in the GEM Listing Rules) has any present intention, in the event that the proposed Repurchase Mandate is granted, to sell the Shares to the Company. No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that they have a present intention to sell the Shares to the Company, or that they have undertaken not to sell any of the Shares held by them to the Company, in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices of the Shares have been traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:
